EU PROGRAMMES

The Bavarian Ministry of Economic Affairs, Regional Development and Energy offers comprehensive funding opportunities for various target groups and sectors, available throughout Europe. Here you can find an overview of the full service spectrum.

EU RESEARCH FUNDS

The State of Bavaria promotes the development of new technologies in companies and thus strengthens the innovativeness and economic fortitude of Bavarian SMEs.

EU STRUCTURAL FUNDS

The European Regional Development Fund (ERDF) programme in Bavaria is designed to contribute to offsetting the most significant regional imbalances at the EU level.
